

LG5001 Oral 1

Instructions:

- Your tutor will group you into groups of **three**.
- **Part 1:** You will have to introduce yourself.
- **Part 2:** You will have to ask your partner questions about topics provided to you on prompt cards on the day.
 - > First you will be given two cards and you have to ask your partner appropriate questions using the word on the card.
 - > Your partner has to answer the questions, before looking at his cards and asking another team member.
 - > Each member needs to ask and answer the same amount of questions.
- Your aim is to ask **logical** and **grammatically correct** questions and to answer appropriately.
- You ought to **answer** each question with **two sentences**.
- During the self-introduction it is important to use the **vocabulary learnt** in class and to **speak clearly**.
- You will be assessed on your ability to converse in German.
- This will assess your ability to use the language fluently in daily life and it constitutes 10% of the course grades.
